Siam has very long continued history of ice sculpture in the art world. **Frost Magical Ice of Siam** in Pattaya offers the opportunity to experience the cold of the Arctic in a tropical country.

Discover the culture and history of Thailand at this fascinating attraction, filled with sculptures, exhibits, and activities. With vibrant changing colored lights and at -10 degrees celsius, you'll feel like you're in a different world in the ice dome. You will find ice sculptures of polar bears, penguins and an igloo.

In the outside area, 40 degrees warmer, you'll find large sand sculptures, all in white, that look like they're covered in snow. This zone is called Himmapan, named after the legendary Himmapan forest. Enter another zone, Siam Heaven, to discover different characters from Thai literature.
